STATE OF NEW HAMPSHIRE
TOWN OF JAFFREY
ANNUAL TOWN MEETING WARRANT

To: The inhabitants of the Town of Jaffrey, in the County of Cheshire, in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Ernest J. Pratt Auditorium in said Jaffrey on Tuesday, the 13th of March next, at nine o'clock in the forenoon (polls close at 7:00 pm) to vote for the Town Officers and to act on other questions required by law to be decided by official ballot. Pursuant to RSA 39:2a and the vote of the Town at adjourned session of Town Meeting on March 13th, 1979, the business meeting will be recessed until ten o'clock in the forenoon, Saturday March 17th, 1989, at which time the Town will act on all subjects described in the following Warrant Articles except those requiring action by Official Ballot:

Art. 1. To choose the following Town Officers: (By Official Ballot)

Moderator - One for Two (2) Year Term
Chief Engineer of the Fire Department - One (1) for One Year Term
Treasurer - One (1) for Three Year Term
Selectmen - One for Three (3) Year Term
Trustee of the Trust Funds - One for Three (3) Year Term
Library Trustees - One (1) for Three Year Term
Supervisor of Checklist - One for Six Year Term
Town Clerk - One for Three Year Term.

Art. 2. To see if the Town will vote to raise and appropriate a sum not to exceed Two Million Three Hundred Forty Nine Thousand Three Hundred Dollars (\$2,349,300) for the purpose of purchasing and renovating property currently owned by the New Hampshire Ball Bearings Company (approx. 5.5 +/- acres and 42,000 sq.ft. of building, Map 244, Lot 96) located on Route 124 in Jaffrey. This property to be the site of a new multipurpose municipal office center. Of the above amount, a sum not to exceed One Million Nine Hundred Ten Thousand Two Hundred Dollars (\$1,910,200) is to be raised through the issuance of general obligation bonds or notes in accordance with RSA Chapter 33 and the Board of Selectmen are hereby authorized to provide for the sale of said bonds or notes and to fix the date, maturities, denominations, interest rate, schedule of payment, form or other details of the bonds and/or notes, and to authorize the Selectmen to expend said sum and to sign such agreements, contracts and other documents and to take such other actions as may be necessary to effect the purposes set forth above, and to authorize the Selectmen to accept and expend any monies that may become available from other sources for the purposes set forth. This article to be effective only upon the adoption of Article 4 herein. (By Selectmen & 2/3 Ballot Required) Recommended by Budget Committee.

Art. 3. To see if the Town will vote to raise and appropriate the sum of One Million Seven Hundred Fifty Thousand Five Hundred Dollars (\$1,750,500.00), for the design and construction of a 750,000 gallon steel water storage tank and appurtenances thereto. Said storage facility to be located on land(s) to be donated to the Town of Jaffrey by Delcie D. Bean, Jr. While this sum is to be raised through the issuance of general obligation bonds or notes not to exceed One Million Seven Hundred Fifty Thousand Five Hundred Dollars (\$1,750,500.00), this project/bond is to benefit and be funded by water system users. Said bonds/notes shall furthermore be issued in accordance with RSA Chapter 33 and the Board of Selectmen are authorized to provide for the sale of said bonds or notes and to fix the date, maturities, denominations, interest rate, schedule of payment, form or other details of the bonds and/or notes, and to authorize the Selectmen to expend said sum and to sign such agreements, contracts and other documents and to take such other actions as may be necessary to effect the purposes set forth above, and to authorize the Selectmen to accept and expend any monies that may become available from other sources for the purposes set forth above. (By Selectmen & 2/3 Ballot Required). Recommended by the Budget Committee.

Art. 4. To see if the Town of Jaffrey will authorize the Board of Selectmen to sell the following Town land; 1) Land and Buildings known as the Jaffrey Town Offices located at 69 Main Street (Assessor's Map 238, Lot 166) containing approximately .37 +/- acres for a sum of not less than \$326,000, 2) Land and Building known as the Jaffrey Police Department located at 6 River Street (Assessor's Map 238, Lot 13) containing approximately .06 +/- acres for a sum of not less than \$113,100. The sale of these properties shall be contingent upon the purchase of property now owned by the New Hampshire Ball Bearings Company as described in Article 2 and the adoption of Article 2 at this Annual Town Meeting. (By Selectmen)

Art. 5. To raise and appropriate the sum of \$4,065,903 (exclusive of special warrant articles) for the purpose of defraying the cost of Towns operating expenses for the year 1990 as presented and recommended by the Budget Committee.

Art. 6. That all reports submitted by Town Officers be accepted as read. (By Selectmen)

Art. 7. To see if the Town will vote to adopt the provisions of RSA Chapter 149-I, relative to sewers.

Art. 8. To authorize the Board of Selectmen to sell at public auction any and all property which has been or may be acquired through Tax Sale or Tax Lien. Such public auction to be held after being advertised in a local weekly newspaper for three successive weeks. (By Selectmen)

Art. 9. To see if the Town will vote to raise and appropriate the sum of Twenty Five Thousand Dollars (\$25,000) and to deposit said sum into the capital reserve fund established 1989 for the purpose of purchasing a new fire truck for the Jaffrey Fire Department and to amend said Warrant Article (Art. #9) creating this fund so as to designate the Board of Selectmen as Agents for disbursement of this fund. (By Selectmen) Recommended by Budget Committee.

Art. 10. To see if the Town will vote to establish a Capital Reserve Fund pursuant to RSA Chapter 35 for the purpose of funding a town wide property revaluation and to raise and appropriate the sum of Ten Thousand Dollars (\$10,000.00) to be paid into said fund and to establish the Board of Selectmen as agents for disbursement. (By Selectmen) Recommended by Budget Committee.

Art. 11. To authorize the Board of Selectmen pursuant to RSA 39:95-b, to apply for accept and expend any and all federal, or State grants, gifts or funds that may become available during the ensuing year. (By Selectmen)

Art. 12. To see if the Town will vote to authorize the Town Clerk to collect a motor vehicle registration surcharge, the amount of which is set forth in RSA 261:153 as follows:

\$5.00 for heavy vehicles, including mobile homes and house trailers, heavy trucks and truck-tractors whose gross weight exceeds 18,000 pounds, and buses;

\$3.00 for automobiles, light vehicles including trucks, and commercial motorized vehicles including tractor trailers; and

\$2.00 for special use vehicles including all-terrain vehicles, agricultural and farm vehicles, historic vehicles, and 2-wheeled vehicles including mopeds, motorcycles, and non-motorized car and boat trailers;

And further, to require the Town Clerk, after deducting \$.50 from each fee to cover administrative costs, to deposit the remainder into a Town Reclamation Trust Fund, which is hereby created pursuant to RSA 149-M:13-a, to be held by the Town Treasurer in a separate account, and to be spent under the direction of the Selectmen to pay for the collection and disposal of used motor oil, motor vehicle batteries, motor vehicle tires and other motor vehicle wastes from vehicles registered by Town residents; and any excess in the fund may be used for the recycling and reclamation of other types of solid waste. (By Selectmen).

Art. 13. To see if the Town will vote to raise and appropriate the sum of Three Thousand Dollars (\$3,000.00) to support the Veterans of Foreign Wars Ambulance Service, or act in any way

relating thereto. (By Petition) Recommended by Budget Committee.

Art. 14. To see if the Town will vote to authorize the Selectmen and Treasurer to borrow funds upon the credit of the Town in anticipation of property taxes. (By Selectmen)

Art. 15. To see if the Town will vote to discontinue and relinquish pursuant to RSA 231:43 all interests of the Town in a portion of old Route 202 beginning at Mountain View Drive and running in a southerly direction for approx. 350 linear feet to its junction with present Route 202. (By Selectmen)

Art. 16. Shall we adopt the provisions of RSA 72:28, V and VI for an optional veteran's exemption? The optional veteran's exemption is \$100, rather than \$50. (By Selectmen) By Ballot.

Art. 17. Shall we adopt the provisions of RSA 72:35, IV for an optional property tax exemption on residential property for a service-connected total disability? The optional disability exemption is \$1,400, rather than \$700. (By Selectmen) By Ballot.

Art. 18. To see if the Town of Jaffrey will vote to discontinue and relinquish pursuant to RSA 231:43 all interests of the Town in that portion of a Class Six roadway known as Gibbs Road beginning at the junction of McCoy Road and running southerly 620" linear feet and then turning southwesterly 580' linear feet. (By Petition)

Art. 19. To see if the Town will vote for an ordinance giving the Selectmen the power to impose and enforce a fine on anyone impeding, or denying access to the public the full width of the Town roads which border on lakes, ponds, rivers or streams; the penalty being a \$1,000 fine after a 7-day notice, and a \$100 fine each day thereafter until access is restored. (By petition)

Art. 20. To see if the Town will vote for an ordinance giving the Selectmen the power to impose and enforce a fine on anyone blocking, destroying or diverting a Class VI road; the penalty being a \$1,000 fine after a 7-day notice, and a \$100 fine each day thereafter until the road is restored. (By petition)

Art. 21. Shall we adopt the provisions of RSA 72:1-c which authorizes any Town or city to elect not to assess, levy and collect a resident tax. (By Petition)

Art. 22. To see if the Town will raise and appropriate the sum of \$1000.00 for the support of the Monadnock Community Day Care Center, a non-profit agency, or take any other action relating thereto. (By Petition) Not Recommended by Budget Committee.

Art. 23. To see if the Town will appropriate the sum of Sixteen Thousand Five Hundred Dollars (\$16,500) to Home Health Care and Community Services to support the continuation of home and health

services being provided to the residents of Jaffrey. (By Petition) Recommended by Budget Committee.

Art. 24. To see if the Town will vote to authorize the Board of Selectmen pursuant to RSA 41:9-a, to establish or amend fees for the issuance of any license or permits, or services, etc. which are part of any previous or future regulatory process authorized by the Town. (By Selectmen)

Art. 25. To see if the Town of Jaffrey will vote to authorize the Selectmen to enter into a cooperative agreement under RSA Chapter 53-A, with the Towns of Fitzwilliam, Dublin and such other towns as may agree to the terms thereof, providing for joint exercise of powers and responsibilities concerning disposal of municipal solid waste, including among others, provisions for construction, maintenance, operation and closure of municipal solid waste disposal facilities, and for apportionment of financial responsibility therefor. (By Selectmen)

Art. 26. To see if the Town will vote to raise and appropriate the sum of Five Thousand Five Hundred Dollars (\$5,500) for Monadnock Family Services, or take any other action relating thereto. (By Petition) Recommended by Budget Committee.

Art. 27. To see if the Town will vote to designate and proclaim April 22, 1990, as Earth Day, and to set aside that day for public activities promoting preservation of the global environment and launching the "Decade of the Environment". (By Petition)

Art. 28. To see if the Town will vote to authorize the Selectmen to layout as a Class 5 Town Highway, a portion of roadway know as Heath Road Extension effective upon completion of the road by the Town of Jaffrey and the Peterborough Savings Bank to Town specifications effective upon the date of subdivision approval creating this roadway with the understanding that no Town funds other than those acquired from the previous owner in the form of a performance bond or other private parties be used to complete this project. (By Selectmen)

Art. 29. To see if the Town will vote to authorize the Board of Selectmen to convey all of the Town's right, title and interest in and to a certain parcel of real estate with the buildings thereon described in deed of Eino J. Oja to James McDonough and Alice McDonough, recorded in Volume 517, Page 488 at the Cheshire County Registry of Deeds in order to clear title to property owned by the estate of Alice McDonough.

Art. 30. Are you in favor of adding a new section 4.13 which specifies when building permits shall be required and a new section 4.14 which requires that all industrial, commercial, and multifamily construction in the Town of Jaffrey shall conform to the BOCA National Building Code? Proposed by the Planning Board.

(By Official Ballot)

Art. 31. Are you in favor of the amendment to the Jaffrey Wetlands Conservation District Ordinance as proposed by the Planning Board? (The amendment corrects an ambiguity in the definition of wetlands.) (By Official Ballot)

Art. 32. Are you in favor of amending Section XV (Guide to Zoning Districts) of the Land Use Plan which amendments rewrites the discrepancies of the Central Industrial Districts (para. 15.14), Pawprints Industrial District (para. 15.13), General Business District West (para. 15.9) and Annett Industrial District (para. 15.16) as proposed by the Planning Board? (These proposed amendments correct typing errors and do not constitute any change in previously voted zoning districts except that the boundary of the Industrial District (para. 15.13) would be changed to include property between the west side of Fitch Road and Cheshire Pond.) (By Official Ballot)

Art. 33. Are you in favor of adding to paragraph 3.1, the Rural District, and 3.5, the Industrial District, a new sub-paragraph which adds the following permitted uses: "Excavation of Earth, as governed by Town of Jaffrey Regulation of Excavation of Earth," as proposed by the Planning Board? (By Official Ballot)

Art. 34. Are you in favor of amending paragraph 4.9 (occupancy permits) by deleting the second paragraph and substituting the following therefore: "Reasonable occupancy permit fees be as established by the Board of Selectmen"? Proposed by the Planning Board. (By Official Ballot)

Art. 35. Are you in favor of amending paragraph 9.4 by deleting the text and substituting a new definition which requires that no more than five percent (5%) of the dedicated open space may be covered by buildings, roads, or any constructed impervious surfaces, as proposed by the Planning Board? (By Official Ballot)

Art. 36. Are you in favor of amending paragraph 9.2-a to read "A development plan conforming to the requirements of a preliminary layout under section XI of the Subdivision Regulations of the Planning Board."? Proposed by the Planning Board. (By Official Ballot)

Art. 37. Are you in favor of amending paragraph 3.17, Customary Home Occupations, to read "Customary Home Occupations when all of the following conditions are met," and adding a new sub-paragraph 3.175 which reads "There shall be no on site non-resident employees,"? Proposed by the Planning Board. (By Official Ballot)

STATE OF NEW HAMPSHIRE

TOWN OF JAFFREY

1989 TOWN MEETING WARRANT

To: The inhabitants of the Town of Jaffrey, in the County of Cheshire, in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Ernest J. Pratt Auditorium in said Jaffrey on Tuesday, the 14th of March next, at nine o'clock in the forenoon (polls close at 7:00 pm) to vote for the Town Officers and to act on other questions required by law to be decided by official ballot. Pursuant to RSA 39:2a and the vote of the Town at adjourned session of Town Meeting on March 15th, 1979, the business meeting will be recessed until ten o'clock in the forenoon, Saturday March 18, 1989, at which time the Town will act on all subjects described in the following Warrant Articles except those requiring action by Official Ballot:

Art. 1. To choose the following Town Officers: (By Official Ballot)

Moderator for 2 years - Bernard J. Hampsey, Jr.
Chief Engineer of the Fire Department for 1 year - Donald K. Sawtelle
Tax Collector for 1 year - Dawn L. Oswalt
Treasurer for 1 year - Francis R. Chamberlain

Library Trustee for 2 years - Charles H. Griswold
Library Trustee for 3 years - Elizabeth B. Shea
Library Trustee for 3 years - John J. Stone

Recessed until March 18, 1989 at 10:00 a.m. The hour of 10:00 a.m. having arrived, the town moderator Bernard J. Hampsey, Jr. reconvened the annual town meeting of the Town of Jaffrey. The Pledge of Allegiance was said and an invocation was given by Reverend Nelson Howard, III.

The Moderator then ruled that the following procedure would be implemented from this meeting on: Petitions for secret yes/no ballots would only be accepted during the course of or after the discussion on the article itself and petitioners must be five or more voters present at the meeting.

The following resolutions and awards were presented by Selectman Franklin W. Sterling, Jr.:

"Honoring George A. Sirois, who died March 11, 1989, for his 22 years as the Town's Water Commissioner. This resolution is for George Sirois who was born in Jaffrey, graduated from Conant High and worked at DD Bean for 28 years and at Millipore for 16. He generously volunteered his free time to our Town, in the Jaffrey Fire Department, and to the State, as deputy fire warden. George was also a member of the Jaffrey Lions. Whereas George Sirois has served the Town of Jaffrey as the Town's water commissioner from 1965 to 1987; be it resolved that the most sincere gratitude of the Town be expressed at this meeting, and that this resolution be made a part of the official records of this meeting."

After some discussion, the article was moved and the polls were opened at 12:20 p.m. The polls were closed at 1:24 p.m. and the ballots were counted. The results being:

REPORT OF THE SELECTMEN

We began 1989 with Chairman Robert V. Mitchell, Franklin W. Sterling, Jr. and Peter B. Davis as Selectmen and Hunter F. Rieseberg as Town Manager. Mr. Mitchell declared it was his intention not to seek re-election.

At the Annual Town Meeting in March, Mrs. Jeanne L. LaBrie was elected to a three year term as Selectman. Also approved at Town Meeting was a bond issue for renovation and an addition to the Jaffrey Public Library as well as a warrant article mandating recycling to begin no later than September 1, 1989.

In April the construction contract for the library was awarded to R. M. Aho of New Ipswich, NH. Construction went very smoothly with the project being completed ahead of schedule and under budget. Everyone involved should be commended for a job well done.

Ken Saunders resigned as Director of Public Works in late May. Ken served the Town for thirteen years and his experience and knowledge will be greatly missed.

Pursuant to the adoption of the mandatory recycling warrant article, the Selectmen held public hearings in August to write an ordinance establishing the manner in which this activity would be governed. Also in August, Agway Co. was selected to construct a recycling center at the municipal landfill. The center was officially opened September 1. Your support has helped to make recycling a success.

As we moved into fall, Mr. Robert Pauley was selected as the new Director of Public Works. Mr. Pauley comes to us from Westfield, NY and with the help of the Department has settled right in.

Mr. Bruce Feltus was selected to fill the position of Code Enforcement Officer. He began work in November and has already demonstrated his competence and value to the Town.

In late December we accepted with extreme regret the resignation of Myrtle Hazleton as Supervisor of the Voter Checklist. Myrtle has held this position for 25 years and deserves high praise not only for a job well done but also for her length of service to the Town.

We would also like to gratefully acknowledge the generous gift of .65 acre adjacent to the Philips Cemetery from Mr. John Heil. Mr. Heil's gift will ensure that the Philips Cemetery will be able to accommodate for many more years those souls who choose Jaffrey as their final resting place.

In closing, I would like to thank all of you good citizens of Jaffrey for making my three years as Selectman a rewarding experience. We had, on occasion, our disagreements and differences of opinion on immediate policy, but we all worked toward making Jaffrey a good place to live, work and raise our families.

Respectfully submitted,

Franklin W. Sterling, Jr.
Chairman, Board of Selectmen

REPORT OF THE TOWN MANAGER

Another year has now come and gone. While accomplishments of 1989 are far too numerous to mention, we in the Town Offices look back upon 1989 as a year of great achievement and satisfaction. We also look to 1990 and beyond as years filled with great challenge.

Jaffrey is a place of extraordinary opportunity and promise for the future. The citizens of Jaffrey enjoy a unique and sensitive balance between the quality of life and the continuous demands of growth. We share in your concerns and hopes for a healthy, prosperous and progressive community.

Like most New Hampshire communities, Jaffrey's balance could be in jeopardy. Ever increasing financial obligations created by distant mandates will further exacerbate the burdens placed upon the property taxpayer. Moreover, we cannot allow such demands to deter our efforts to insure a balance resulting in clean water, air and land.

Town governments are not unlike private sector business. We suffer from rising costs relating to growing expectations of service and maintenance required by aging infrastructure. We are often helpless to influence the factors which affect our operating budgets. We are, however, pleased with our success in responding to the community's need for tax relief. The 1989 municipal tax rate is now comparable to that of 1987. We are and will continue to contain costs whenever and where ever possible while pursuing the needs of tomorrow.

Many communities choose not to address their needs because of cost. By choosing to ignore these needs a community does not alleviate itself of the need but merely postpones it. We cannot deny that issues relating to clean water and air, solid waste disposal, sewage treatment, buildings and road maintenance are costly by their very nature. But not addressing these needs in today's dollars only guarantees the need to address them tomorrow at a far greater cost.

As you consider the Town's budget, do so as you would an investment in your future and that of the community as a whole. Those communities who invest in their future even at some temporary hardship, stand to reap considerable dividends. In order that Jaffrey reach its true potential, we will need the continued support of all concerned. Despite the hardship, we must press forward and face our responsibilities. Otherwise, all we will leave behind are our neglected liabilities.

We wish to thank and compliment the Board of Selectmen, the Budget Committee, various boards and committees, staff and the citizens of Jaffrey for their support and dedication to your future.

We are here to help insure and enhance Jaffrey's future, our success is your success. As always, we encourage you to express your concerns and interests to your elected representatives. We also hope that you will take the opportunity to stop by and visit with us about any of our many activities throughout the year. Your comments are important to us.

In the meantime, the Town staff and I wish you all the very best for 1990 and look forward to what we are confident will be a year filled with accomplishments.

Respectfully submitted,
Hunter F. Rieseberg, Town Manager

To the Members of the Board
of Selectmen and Town Manager
Town of Jaffrey
Jaffrey, New Hampshire

We have audited the financial statements of the Town of Jaffrey for the year ended December 31, 1989 and have issued our report thereon dated January 20, 1990. In connection with our audit, we reviewed and tested the Town's systems of internal accounting control and operating procedures to the extent we considered necessary to evaluate the systems as required by generally accepted auditing standards. The purpose of our review of these systems was not to express an opinion on internal accounting control, and it would not necessarily disclose all weaknesses in the system.

In the following paragraphs, we present our comments and recommendations for improving specific aspects of the Town's systems and procedures. We also refer you to the Appendix to this letter which explains the purpose of our review, its limitations, and the professional standards involved.

Typically, a report of this type places a greater emphasis on findings of a critical nature. Therefore, to put our comments and recommendations in proper perspective, it should be noted that the weaknesses observed are not necessarily the result of poor management. Oftentimes, they are due to factors outside the control of the Town's personnel, such as organizational restrictions, budgetary limitations, or inadequate software systems. We have noted many positive aspects of the Town's financial management and procedures which are not set forth in this report.

GENERAL LEDGER

The major weakness in internal accounting control again continues to be caused by the failure of the staff accountant to reconcile and balance the various general ledger accounts of each fund on a timely basis. Examples of the obstacles we encountered during our audit are as follows:

- A. Debits did not equal credits on the trial balances for both the General and Water funds causing the general ledger to be out of balance for these funds. Although the sum total of all funds was in balance the General and Water Funds, when segregated, were not.

- B. Interfund balances between all funds did not agree. Should this condition continue and the staff accountant be unable to reconcile these accounts monthly, we recommend to management that separate checking accounts be utilized for both the Water and Sewer Funds. This should nullify the need to make numerous entries to the interfunds accounts.
- C. General Ledger cash balances did not agree with Treasurer's reconciled figures. The discrepancies were as follows:

General Fund	\$30,570.94
Water Fund	\$ 3,632.37
Sewer Fund	\$10,919.41

This obviously implies that interim financial reports prepared by the staff accountant were inaccurate.

- D. Our previous year's ending audited figures were not set up on the general ledger system. Therefore it would be impossible to reconcile proprietary accounts on a monthly basis.
- E. No detailed printouts of general ledger accounts were run at year end for audit purposes as was requested in our letter of comments and recommendations dated February 10, 1989. This detail is a crucial instrument in which to identify erroneous postings that cause such variances in the accounting records as previously identified.

We recommend that management implement some checking procedures to ensure that errors and irregularities do not go undetected and follow up on our recommendations to ascertain that they are being properly carried out. Because we continue to repeat similar comments made previously, responsible officials must assess the adequacy of the present staff and internal accounting controls and take necessary measures to assure that the record-keeping for the Town of Jaffrey meets acceptable standards.

TREASURER

The Treasurer's cash book did not reconcile with the bank by approximately \$1,100. It is the Treasurer's responsibility to locate and correct any discrepancies with the bank on a timely basis. In addition the Treasurer has been using the amounts on the bank statements to post to his cash book. The purpose of using a cash book is to keep a record of actual bank activity as it occurs in order to detect any errors made by the banking institution. No such detection is accomplished by using the bank's figures.

We recommend that the Treasurer post all deposit receipts on a timely basis and immediately attempt to reconcile any discrepancies.

LIBRARY FUND

- A. There still exists some bookkeeping irregularities which compel us to spend an inordinate amount of time analyzing the flow of transactions through library accounts. Some of the reasons for this are as follows:
1. Interbank transfers are still being netted out and not shown on a gross basis as we had suggested in our letter of comments and recommendations dated February 10, 1989.
 2. Errors and omissions were noted in the Treasurer's cash book partly as a result of the above.
 3. There did not exist a formal cash book that summarized all investment transactions for the year as we had suggested in our letter of comments and recommendations referred to above.
- B. In addition to the above comments, we feel that there is no proper segregation of duties between the accounting and disbursing functions. At present, the Treasurer is responsible for signing checks, general bookkeeping functions, and is also authorized to buy and sell stock on behalf of the library. This lack of segregation of duties suggests that there is a material weakness in internal control that should be corrected in order to keep irregularities in the records from going undetected on a timely basis.

We were pleased to learn that funds will be disbursed by the General Fund on behalf of the library beginning January 1, 1990. This should limit the amount of interbank transfers that has complicated the bookkeeping process.

WATER DEPARTMENT

There still appears to be no periodic or perpetual inventory of materials and supplies. In addition, although a fixed asset listing exists, no assets are ever added or deleted from this list nor is a periodic inventory taken to assure its accuracy.

We recommend that steps be taken to keep proper safeguards over these assets in the future.

BUDGETING

Again, as in the previous year, there existed a major budgeting error detected in the Statement of Appropriation Report (MS-2) filed with the State Department of Revenue Administration (DRA) and utilized in setting the 1989 tax rate.

The budget did not show State Aid Water Pollution control revenues as an offset to the sewer appropriations correctly. As a result of this error, the General Fund incurred a shortfall in projected tax revenues of approximately \$127,099.

GENERAL FIXED ASSET ACCOUNTING

In general, accounting for fixed assets provides information for estimating the amount of insurance needed, monitors assets utilization, provides a safeguard over the asset, and allows for depreciation expense when applicable. The Town does not maintain records for its investment in property, plant and equipment. Consideration should be given in the near future to maintaining a fixed asset record-keeping system, in order to comply with generally accepted accounting principles.

FORMAL ACCOUNTING POLICIES AND PROCEDURES MANUAL

We have commented previously on the need to establish written and formal accounting policies and procedures. The procedures should contain:

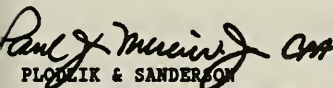

- A. a description of all departments' bookkeeping records;
- B. an organizational chart and job description for each bookkeeping function;
- C. a detailed chart of accounts and its description;
- D. a listing of, and procedure for, preparing regular financial reports;
- E. a policy statement regarding document filing and records retention;
- F. a description of accounting checks and proofs to be performed regularly; and
- G. procedures for accounting for all recurring types of financial transactions.

We believe that such a manual would go a long way toward correcting many of the deficiencies which have been noted in this letter and previous management letters.

In closing, we would like to express our appreciation to those persons whose cooperation and assistance during the course of our audit has helped us to achieve efficiencies in completing our audit.

After you have reviewed our report, we would be pleased to meet with you to discuss any questions that you might have.

Very truly yours,

PLOTNIK & SANDERSON

TOWN OF JAFFREY, NEW HAMPSHIRE

PURPOSE AND LIMITATIONS OF REVIEW

The purpose of our study and evaluation was to determine the nature, timing and extent of the auditing procedures necessary for expressing an opinion on the Town's financial statements. Our study and evaluation was more limited than would be necessary to express an opinion on the system of internal accounting control taken as a whole.

The management of the Town is responsible for establishing and maintaining a system of internal accounting control. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of control procedures. The objectives of a system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or disposition, and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in accordance with generally accepted accounting principles.

Because of inherent limitations in any system of internal accounting control, errors or irregularities may nevertheless occur and not be detected. Also projection of any evaluation of the system to future periods is subject to the risk that procedures may become inadequate because of changes in conditions or that the degree of compliance with the procedures may deteriorate.

Our study and evaluation made for the limited purpose described in the first paragraph would not necessarily disclose all material weaknesses in the system. Accordingly, we do not express an opinion on the system of internal accounting control of the Town taken as a whole. However, our study and evaluation disclosed conditions that we believe result in more than a relatively low risk that errors or irregularities in amounts that would be material in relation to the financial statements of the Town may occur and not be detected within a timely period.

These conditions are described in the preceding report and were considered in determining the nature, timing and extent of the audit tests to be applied in our audit of the 1989 financial statements. This report does not affect our report on these financial statements dated January 20, 1990.

The preceding report is intended solely for the use of management and should not be used for any other purpose. This restriction is not intended to limit distribution of this report which, upon acceptance by the Members of the Board, is a matter of public record.

REPORT OF THE JAFFREY PUBLIC LIBRARY

This has been a wonderful year for the library. Just before the March 1989 Town Meeting, the Trustees and the Chairman of the Building Fund were able to announce that the Building Fund had reached a total of \$283,460. The Bond Issue presented at Town Meeting to fund \$650,000 for the library addition passed with 73% approved, well over the two-thirds majority vote required by law. R.M. Aho Construction Company of Nashua was awarded the contract for the addition and renovations to the original building. The ground breaking ceremony took place at 3:30 p.m. on Monday, April 10, 1989 at the west corner of the library during a snow flurry. Present were: Architect, John Jordan; Selectmen, Franklin W. Sterling, Jr., Chairman and Jeanne L. LaBrie; Trustees, Elizabeth Shea, Chairman, Jean Page, John Stone, Francis Cheney and Charles Griswold; Project Manager Gary Manoogian, Library Director Cynthia Hamilton, staff members, Friends of the Library and guests.

Construction of the addition went well. We were able to move in on October 28, 1989. Friends, volunteers and students from the Grade School, Middle School, St. Patrick's and the High School facilitated the move via a book chain, new book trucks and the elevator. The Friends of the Library provided refreshments and sponsored a pizza party at the end of the day for all those who helped with the move. During the next two weeks the library remained closed while staff and volunteers organized books and furniture. The library reopened for business in the addition on Monday, November 13 in time to celebrate National Library Week. Renovations then commenced in the old part of the building. A dedication and open house will be held in the summer of 1990.

During the year, the library applied for and received a federal grant in the amount of \$15,681 to use with matching funds toward a construction project and some new furniture.

The Jaffrey Gilmore Foundation extended an invitation to the library staff to park in its lot during construction, and it was gratefully accepted. The Children's Summer Program and weekly film programs had to be canceled due to the construction. We were able to sponsor the Little Red Wagon as it was held on the Civic Center lawn. The program was well attended, activities were fun and enjoyed by children of all ages.

The Amos Fortune programs are doing an outstanding business. The presentation for groups at the library lasts about half an hour. When the addition is complete, copies of the Amos Fortune documents will be on permanent display on the second floor of the old building. Mrs. Elizabeth Yates McGreal donated money to the Building Fund to help furnish this area.

A series of lectures, Consider the Source were given at the library in February and March sponsored by a grant from the Council on the Humanities. Thirty people attended each meeting and participated in the discussion. This year the library became a part of the Cheshire County Literacy Coalition. There will be materials and tutors available throughout the library

In August, Lisa Bearce resigned to take the position of Librarian at the Frost Free Library in Marlboro, NH. Library Director Cynthia Hamilton has been asked to serve on the New Hampshire State Library Advisory Council by the State Librarian Matt Higgins. We are very proud of her appointment.

In December, the Trustees met with Terry Knowles, a trust officer from the State Attorney General's office and Hunter Rieseberg, Town Manager to study the relationship between the Municipal Budget Act and the Library Trust Funds.

In addition to being a very productive year at home, Trustees, staff and Friends represented the library at regional, state and local meetings.

To our dedicated staff, Friends of the Library, donors, volunteers, the media and anyone who has given time and support, we say Thank You.

REPORT OF THE CHIEF OF POLICE

After reviewing the statistical data which represents the total police activity for 1989, I find that the calls for service have risen 6% over 1988. While that figure appears moderate when viewed overall, once I break those calls for service down, I find what we identified last year as a potential problem has become a genuine concern. The Town of Jaffrey ranks 5th in the State of New Hampshire in aggravated assaults. What this means to our citizens is that at least three times each and every month someone in Jaffrey will become a victim of an aggravated assault. It further translates to a tremendous drain on your police department's resources. This problem will not go away by itself. We can, however, work on a solution with your help.

As I have pointed out in the past, law enforcement is a cooperative effort, wherein we try to provide service to the community, and the community in turn assists us by providing information to enable us to perform that service. We all need to understand that the police are here to provide assistance to anyone who needs it, as well as maintain the peace. Simply put, we are not here to merely say "NO", or keep people from breaking the law. The community should view their police department as a resource no matter what their need. Even if we can't provide the exact help requested, we should be able to offer assistance and information as to where that help can be provided. I believe that together we can work on solving these and many other problems which adversely affect our community.

After a decrease in traffic collisions in 1988 from the previous year you will note we had a tremendous increase of 67 for a total of 206 in 1989. Again, we can work together to reduce the number of accidents in our town. We all need to maintain good driving habits, as well as obeying the rules of the road.

I would like to share the good news of Detective Sergeant Robert Pelio's selection as the most recent recipient of the Law Enforcement Television Network's "Exemplary Service Award." We are all very proud of Bob. He was recently flown to Dallas by LETN where he received the award to be viewed by law enforcement agencies from California to Maine.

REPORT OF THE PUBLIC WORKS DEPARTMENT

HIGHWAY DEPARTMENT Reconstruction of Roads

Parker Road - The entire length of Parker Road was reconstructed.

Aetna Street - The entire length of Aetna Street was reconstructed. New drainage and appurtenances were built as necessary.

Wheeler Street - The entire length of Wheeler Street was reconstructed. New drainage and appurtenances were built as necessary.

Gilmore Pond Road - From Lambert's bridge to John LaFreniere's residence was reconstructed using the reclamation method. New drainage and appurtenances were built as necessary.

Other Projects

Oak Street - The sidewalks were reconstructed along the entire length.

Webster Street - The sidewalks were reconstructed from the American Legion to the intersection of Oak Street.

River Street - The sidewalks were reconstructed from the Sirois' residence to Gilmore Pond Road.

Phillips-Heil Cemetery - The new addition called the Phillips-Heil Cemetery was completed.

Hunt Road - The final overlay was done.

We administered a Grant from OSP for emergency replacement of the failed septic system at Duval's Mobile Home Park. Construction was done by George Peck Construction at a cost of \$26,980.00.

Landfill Projects

The Public Hearing for the closure of the existing operating cell was held December 28, 1989. Public comment period on the closure ran through January 1990. Approval of the plan is expected from the Department of Environmental Services by March 1990. The plan is to close and cap the existing cell as we go.

Application for construction of a new lined cell was made to D.E.S. Public Hearing is expected to be scheduled by March 1990. The new cell is designed to provide 20 years of useful life.

Recycling Projects

Mandatory recycling was instituted in September 1989. A 2000 S.F. recycling building was constructed and is manned on a full time basis. In its first quarter of operation, the Town recycled 6.12 tons clear glass, 1.5 tons of amber glass, 1.95 tons of green glass, 2300 pounds of aluminum cans, .85 ton HDPE (plastic), .61 ton PET (plastic), 12.84 tons of newsprint, 2.25 tons of cardboard and 121.85 tons of #2 light iron. The purchase of a bailer and a forklift in 1990 through a recycling grant will enhance operations for the years ahead.

Water Department

The Jaffrey Water Department had 37 water breaks, answered 56 complaints, responded to 11 frozen water pipes, and installed 83 meters in Rindge. They performed 72 meter turn ons, 56 shut offs, and 43 meter repairs. They also installed 5 new water services.

On Route 124 they took out the booster station due to leaks within the building.

The existing corrosion system at all pump stations were rebuilt due to leaks in existing piping and new tanks were installed.

A new roof was installed at the old chlorination building in Jaffrey Center.

A very extensive leak detection study was done throughout the town. All major leaks were repaired and three minor leaks are scheduled for repair in the first quarter of 1990. The system is in very good shape.

Sewer Department

The Sewer Department repaired 8 sewer breaks in Jaffrey in 1989. They rebuilt pumps No 1, 2, and 3 in the main pumping station on Hadley Rd.

DES and EPA comments on the Industrial Pretreatment Program have been addressed. The program is expected to be implemented in the 4th quarter of 1990.

In conclusion, Public Works employees have continued to use their knowledge and job expertise in accomplishing many tasks for the Town. We strive to provide the most efficient and effective service to the Town and its residents. Your cooperation is greatly appreciated.

Respectfully submitted,

Robert A. Pauley
Director of Public Works

REPORT OF THE BUILDING INSPECTOR/HEALTH OFFICER

On November 13, 1989 I was hired as Jaffrey's first Building Inspector/Health Officer.

As Building Inspector I issue building, demolition and occupancy permits, help people submitting applications to the various Town Boards and enforce Jaffrey's Zoning Ordinances and Building Codes.

As Health Officer, appointed by the State of New Hampshire, I make health related inspections and investigations including day care, subsurface disposal, asbestos, lead paint and many others.

The Federal and State laws and local ordinances require that our environment remain clean and as risk free as possible while protecting all peoples' rights both personal and real, for future generations. However, we must participate in these goals for the future together.

I am proud to be a part of the process and look forward to my duties as Building Inspector/Health Officer for the town of Jaffrey.

Please contact me directly if you have any questions or comments relating to my job in the town of Jaffrey.

The following permits were issued during 1989:

Building Permits	119	Demolition Permits	8
Occupancy Permits	50		

Sincerely,

Bruce D. Feltus
Building Inspector/Health Officer

REPORT OF THE OVERSEER OF PUBLIC WELFARE

The Town of Jaffrey provides General Assistance pursuant to RSA Chapter 165 for all persons requiring aid during the course of the year. In addition to funding provided by the General Fund, Jaffrey enjoys the unique support of several charitable trusts.

These Trusts are commonly known as the Dorothy F. Badger, Luigi Cilli, John Conant and Warren Trusts. Collectively, these funds provide a majority of the aid rendered to the residents of the Town throughout the year. The purpose of the individual Trusts are primarily to provide much needed support to the elderly, the infirm and other persons in need who may otherwise not eligible for other types of aid.

Generally speaking, aid provided to persons within our community falls into four (4) categories; housing (rent & deposits), food (inc. household goods), medical needs (emergency treatments and medicines) and utilities (electricity, heating fuels, etc.). A breakdown of the aid rendered during 1989 by source, amount and type is listed below.

FUND NAME	AMOUNT EXPENDED	% OF TOTAL
General Fund	\$ 3,169.12	15%
Badger Fund	\$17,472.17	81%
Cilli Fund	\$ 179.19	1%
Warren Fund	\$ 346.29	2%
Conant Fund	\$ 208.01	1%
Total - All Funds	\$21,374.78	100%

AID BY TYPE	AMOUNT EXPENDED	% OF TOTAL
Food	\$ 4,078.73	19%
Housing	\$12,211.85	57%
Medical	\$ 575.03	3%
Utilities	\$ 4,509.17	21%
Total - All Funds	\$21,374.78	100%

Overall the Town issued a total of one hundred eighty eight (188) vouchers for aid serving sixty three (63) different households. With the anticipated decline in the economy, we anticipate an even greater need in 1990.

Effective in January of this year, the Town's Welfare program will be managed by Ms. Weltha Smith. As a long time resident of the community, Ms. Smith possesses a unique understanding of the Town and the needs of its residents. We encourage persons suffering from financial difficulties to contact Ms. Smith through the Town Offices.

Sincerely yours,

Hunter F. Rieseberg
Welfare Administrator

REPORT OF THE RECREATION DEPARTMENT

During 1989, the Jaffrey Recreation Committee addressed several issues and operations regarding recreation programming, budget and long range recreation facility improvements. The Recreation staff attempted its best to accomplish its goals set by the Committee, and provide its services to the community, organizations and school athletics. We did not accomplish 100% of our goals due to staff changes and increased service hours to the community, but we are proud of our major programming and facility improvement accomplishments as noted below:

1. In working with the Jaffrey Friends Recreation in 1989, approximately \$7,000 in equipment and program sponsorships was donated to the Town's Recreation Dept. They have financially supported the Recreation Dept.'s youth sports activities (basketball, track, etc.) and special events (school vacation, Christmas, Halloween, Easter) while conducting their own activities for the community (rollerskating, Red Sox games, etc.). The Friends is a vital asset to our Town as a service provider and financial resource. Please offer your assistance and become an active member of the Friends of Recreation to keep many community recreational activities alive and financially affordable.
2. The Jaffrey Recreation Dept. provided administrative and organizational support services to Babe Ruth Baseball, Little League Softball, Silver and Emerald Valley Basketball Leagues and other community recreation or sports organizations, accumulating over 650 service hours (82 days), which reflects 20.8% of the Recreation staff's time.
3. Successful volunteer coaches training clinics through NYSCA for baseball, softball, soccer and basketball are well established; a major step in the Department's risk management program.
4. The Recreation Dept., with the support of the Monadnock Bank, conducted 5 Bandstand Concerts, as a part of the Monadnock Bandstand Summer Concert Series. The concerts, held on Wednesday evenings, attracted over 400 townsfolk and visitors at each concert.
5. The John Morgan 5 Mile Classic Road Race had about 130 runners from four states participate this summer. The Jaffrey Halloween Party was held for the first time in years indoors, and was even more successful. The Annual Jaffrey Christmas Fair celebrated its 10th anniversary in 1989 with special events and prizes during the Fair, and again with a special visit from Mr. & Mrs. Santa Claus.
6. For facility improvement projects this year, the Recreation Dept. completed a retaining wall project at Humiston Field. Ball diamond restoration is partially complete at Humiston and school fields. A new storage building was purchased and installed at the Shattuck Park town beach on Thorndike Pond.
7. The Recreation Committee has continued updating the recreation facility improvement plans, and will supply this information to the Selectmen for review.
8. The Jaffrey-Rindge School District and Recreation Dept. has continued to cooperate in combined athletic, Town and School facility use by the general public and recreational activities.

The Recreation Committee and Staff wish to recognize the following organizations for their continued unselfish support of community recreation activities, all whom the Town should be proud of:

Jaffrey Friends of Recreation, John Humiston Post and Unit American Legion, Jaffrey VFW, Chamber of Commerce, Lion's Club, Jaffrey Grange, Women's Club, Community League, Jaffrey-Rindge Senior Citizens, Sunshine Twirlers, school clubs, Boy Scouts, Girl Scouts, 4-H, and Town Department and School District personnel.

Jaffrey's merchants, industries, businesses and shops all equally deserve a round of applause for their support. The literally hundreds of volunteers giving the most precious gift to our community and its people - TIME, we salute your dedication and sense of caring for the community.

The Recreation Department activities vary each year based on the need and desires of Jaffrey residents. We have summarized our programs for 1989 below, giving participation figures. To best provide recreational activities and services to Jaffrey residents, we seek your constant input and suggestions, as well as volunteer assistance in some cases, in the development and execution of a well rounded program for the community.

Many new challenges lie ahead for the 90's. Issues of open space, recreational lands set aside within land developments, volunteer/staff training, user fees and facility use policies, all need to be addressed. The Recreation Committee and Staff have set these priorities of 1990, keeping these issues in mind knowing the restraints of time and money and personnel:

1. Continue update of facility improvement plans through consideration of adopting a formal outdoor recreation facility standards policy, the Town Master Plan, and continue the commitment of carrying out work projects using private as well as public resources.
2. Update operational policy on Town recreational facilities: the Bandstand, beaches, ballfields and skating rink.
3. Assist in the development of a teen/community center for Jaffrey.
4. Continue to survey, analyze and offer programs and activities for all Jaffrey residents. Set policy for recreational services provided to organizations and the community.
5. Foster school and Town relationships regarding recreational and athletic services, and the facility use by the public.
6. Continue implementation of the Department's risk management plan regarding volunteer and staff training, facility and equipment safety, and program implementation.

Nothing feels better than the satisfaction one receives from people helping people. Take time to volunteer to help your neighbor, and be involved in recreation activities in your community! Please support us, as you have in the past, with our efforts to provide quality recreation activities and services in the Town of Jaffrey.

REPORT OF THE PLANNING BOARD

Planning Board activities for 1989 included the following:

- 20 Subdivisions approved, totaling 32 new lots.
- 11 Site Plan Reviews
- 12 Minor Site Plan Reviews
 - 7 Technical Subdivisions, which included lot line adjustments and exchanges of property between abutters
 - 1 application for excavation and removal of gravel
 - 1 Request for a building permit on a Class VI road

In 1989, a total of 57 applications were presented to the Board and of this number the above 52 received approvals.

A new procedure for handling "Minor" Site Plan Reviews, (those that do not involve external construction of impact on parking, utilities or roads) was adopted at Town Meeting last year. The new procedure contributed to the Planning Board's efficiency in 1989 as more than half (twelve of twenty three) of the Site Plan Applications received qualified or expedited review. The "Minor" Site Plan Committee meets on the first Tuesday of the month and is empowered to render final decisions. This means an applicant who qualifies should not have to wait longer than thirty days to have his application concluded.

All of the principal sections of the new Master Plan have been completed and the public hearing process has commenced. The main sections are:

- 1. Thoroughfare and Transportation
- 2. Community Facilities
- 3. Natural Features
- 4. Land Use
- 5. Housing and Population
- 6. Conservation and Preservation

The Steering Committee of the Sounding Board continued their excellent efforts in 1989 holding monthly meetings of the Sounding Board and communicating their ideas and findings to the Planning Board. The Planning Board also received assistance from the Jaffrey Chamber of Commerce. For example, a Chamber Committee was formed and completed a survey of the availability of apartments in Jaffrey. The results of this study will be included in the Master Plan. Special thanks to Ron Despres who headed this Committee.

Time is always set aside at the beginning of each regular meeting, 7:30 p.m., on the second Tuesday of each month, for persons having questions or wishing to know how to proceed. In this way, the residents of Jaffrey can discuss matters as early in the process as possible and in an informal way. No appointment is necessary although because of time limitations, an interested person should contact the Planning Board secretary and ask to be put on the agenda.

REPORT OF THE BOARD OF ADJUSTMENT

Requests for Variances and/or Special Exceptions as provided by the terms of the Town of Jaffrey Land Use Plan are normally scheduled for Public Hearings on the first Tuesday of each month. Date, time, and locations of the Public Hearing are contained in the Notice of Hearing which is posted in two (2) locations as well as being mailed to all applicants and abutters. Applicants appear at the Public Hearing and state their case after which the Board conducts a Site Review followed by the decision of the Board.

In 1989 the Jaffrey Board of Adjustment held thirty-three (33) Public Hearings concerning requests for twenty-two (22) Variances, seven (7) Special Exceptions, and three (3) Requests for Rehearing, and one (1) Appeal for Administrative Decision. Of the cases heard, twenty-two (22) were granted which amounts to 66% of the requests. Ten (10) or 30% were denied. One (1) case did not need Board of Adjustment approval and two (2) cases were withdrawn.

The majority of requests for Variances/Special Exceptions fell into three categories having to do with Wetlands Regulations, Setback Requirements, and Allowed Uses.

A significant change in the administrative structure was instituted with the hiring of Joanne Johnson as full time clerk. Now, for the first time, applicants may obtain assistance with their applications any time during normal business hours.

Another significant change, in the way the board conducted business in 1989, was to upgrade the application form. Before the board can reach a proper decision it must find that certain conditions in the property exist. Questions concerning these conditions are now contained in the new application form and better prepare the applicants for their presentation at the Public Hearing.

The Board of Adjustment invites and encourages all interested parties to attend our Public Hearings. In some cases the applicant's request affects more than just the abutters and may affect the entire district or Town. Input from all interested parties is encouraged and appreciated.

Christopher A. Struthers, Chairman

REPORT OF THE JAFFREY CONSERVATION COMMISSION

1989 saw an examination of the Town's Conservation Codes to see if we could better meet the conservation and environmental concerns of our community. This involved inviting experts in the field to take a critical look at our current regulations and to discuss ways of making our local codes better meet the needs of our community. Mr. Sid Pilgram of UNH, members of the Soil Conservation Service from Keene, members of the Planning Board, and Conservation Members met in July to critically look at our regulations. This led to a number of recommendations that have been made to the Planning Board and to be voted on at this year's Town Meeting.

Most significantly is the proposal to eliminate the 100 foot setback that we currently have and to use soil types to protect our wetlands. If the proposal passes Town Meeting, building will be eliminated in poorly drained and very poorly drained soil types that are contiguous to lakes, rivers, ponds and non-intermittent streams. Property owners will better be able to use their land and the arbitrary nature of the 100 foot or 75 foot setback will be eliminated.

1989 also saw a member of the Conservation Commission being appointed to the Planning Board as an alternative. Mr. Bill Jack provides the two Boards a voice to better communicate conservation issues.

Regrettably 1989 also saw the loss of a dedicated Commission member with the passing away of Mr. Frank Pinkham. Mr. Pinkham served the Commission in a number of respects. Mr. Pinkham provided continuity from the Charles Baldwin years. He served as Vice-Chairman and Chairman and worked to create a Commission that was always willing to serve Jaffrey residents. With Frank's passing, Jaffrey lost a true public servant.

Ronald M. Reid, Chairman

REPORT OF THE OLD BURYING GROUND COMMITTEE

Keene Monument Co. of Keene, NH continued the work of repairing broken stones and resetting overturned stones during May. There were 235 stones worked on and one fieldstone monument was moved several feet because it was set too close to the lot boundary. The total cost of the project was \$2,940.00. These funds were expended from the Old Burying Ground Trust Funds.

One 8' x 8' lot was sold for \$500.

We plan to reset and/or repair stones as needed and remove any dead or dying trees and limbs in the cemetery in 1990.

Respectfully submitted,

Charles W. Bacon, Jr.

REPORT OF THE HISTORIC DISTRICT COMMISSION

During 1989 the Jaffrey Historic District Commission held eleven regular monthly meetings, one district wide general meeting and a number of work sessions. Five applications were received and heard: two were approved as submitted, two approved subject to certain conditions and one was given Preliminary Approval subject to certain conditions which was contested by the applicant and appealed to the Board of Adjustment. At this hearing the Historic District Commission modified its decision to a recommendation to the Board of Selectmen and Planning Board. Recommending that conditions in their original decision be included in the final decisions of these boards. Based on this the applicant withdrew his appeal.

The Commission expended its entire annual appropriation of \$100. Application fees totaling \$25. were turned over to the Town leaving a net expenditure of \$75.

A major task of the Commission during 1989 was its Third Certified Local Government Grant project. This grant entailed locating, mapping, photographing and writing a detailed physical and historical description of approximately 24 archaeological sites. These were foundations, remains or outlines of foundations, other physical evidence of past buildings, ie. houses, barns, outbuildings, etc. These locations were determined from old maps, books, reports and memories of old inhabitants.

During the year, members of the Commission attended various regional and national meetings including those of the New Hampshire Association of Historic District Commissions, the New Hampshire Historical Society, the annual meeting of the National Trust for Historic Preservation and the Town Planning Institute. Members also participated in such local endeavors as the Baptist Cemetery restoration, the annual clean up, beautification and restoration of Jaffrey Center which included work and bulb planting around the Old Burying Ground, the Little Red Schoolhouse, the Old Meeting House, the Horse Sheds and Melville Academy.

During 1989, in accordance with an article passed at the March Town Meeting the following became Alternate Members of the Commission: Margaret Johnson, Sally Roberts and Catherine Seiberling. Jeanne LaBrie replaced Peter Davis as the Selectmen's Representative and Christopher Bean remained on the Commission as the Planning Board's Representative.

All residents are reminded that the Commission's regular monthly meeting is on the first Thursday of each month at 7:30 p.m. in the Town Office Building. Questions about the Commission and its procedures may be directed to and application forms obtained from the Chairman or Secretary.

Respectfully submitted,

George H. Cox, Secretary
